

May the Father in Heaven bless you this Flight, and show His presence to you. He loves you greatly for you are His child and He calls you beloved. We pray that you will draw nearer to Him and recognize just how much love He has for you. He cares about you deeply as do we here at the Living Waters Chrysalis Community of Alabama, and we pray that He will reach out and touch you on your flight.

May the grace and the love of the Lord be with you always and forever,
