SPEAKERS PRAYER CHAPEL COMMITTEE

The responsibilities of this committee are to setup the prayer chapel and to pray with the speaker before and after their talk during the walk weekend and at team meetings for the practice talks.

Team Meetings:

The Speakers Prayer Chapel Committee is responsible for setting up Speakers Prayer Chapel rooms at ALL team meetings unless Lay Director has made other plans. You will also need the box of supplies that has the hand crosses, the candle holders, candles, matches and Bibles. Please check with Lay Director before your first meeting. Worship can assist with this setup if needed. Plan on praying with each speaker before and after their practice talk just as you would on the walk weekend.

Please announce at all meetings that if the speakers want any family members or friends outside of Emmaus to pray with them in the Speakers Prayer Chapel on the Walk weekend, they need to give you their name and phone number so you can contact them. Tell them what time to be there (30 minutes before the talk) and directions on how to get to the camp. Let them know how to get to the Speakers Prayer Chapel once they are there.

Walk Weekends:

THURSDAY NIGHT: Get there around 5:30 and go to Chapel to DECORATE.

THINGS YOU WILL NEED TO BRING: Candles (unscented), Candle Holders, Lighter, 2 Table Clothes (beige or white) round one and an oval or square one. Sheets to go under them if they are see through. Get Ivy (real or silk) and anything else to decorate table with. Get wooden blocks from Worship (there in a suitcase) to use on the altar table to give different heights for the 15 SPEAKER CANDLEHOLDERS that will be in the room when you get there. A Board Member gives them as AGAPE. Wooden Cross that is also in the Worship Room to be used on table. Worship Committee will swap the cross out for another one when they need it for one of their tables.

You can bring pictures, flowers (real or silk), statues, music, candles, and anything else that will make the room beautiful and peaceful.

5 SPEAKERS EACH DAY

Greet Speaker – Ask speaker if they would like water or a mint. Make sure the speaker is comfortable with the temperature in the room.

PRAYER – Ask speaker how they would like to pray (on their knees at the altar or in a circle holding hands). An ALD will come to let the speaker know how long it will be and will come later to get them.

While the speaker is gone, you and their guest will pray for them and their talk. You can pray at the altar, pray over the crosses at the big cross or get the prayer request cards and pray over them. Try to keep talk to a minimum.

Get everyone to sign the card for the speaker while they are gone. When the speaker comes back, pray for them again or they can pray themselves.

When they starts to leave, give the speaker their card and altar candle. The Lay Director may have a gift for them as well

SUNDAY:

5 Speakers – Today will go fast. The talks will be back to back.

ALD's will bring Pilgrim cards for you to put with their crosses. Separate by table names in conference room and match name on cards with the name on the crosses. You will then hang on big cross in order of tables in conference room. Ask an ALD where the tables are located in the Conference Room. The tables on the left side of room will be hung on the left side of cross and the tables on the right side of the room will be hung on the right side of cross. There should be 4 groups on the big cross. Please use a big paper clip to whole cards together and use a large rubber band to hang them on the back of cross behind the crosses they go with. Keep the groups separated so when the Humbles come to take the cross to the Conference room, they will stay in place.

CONGRATULATIONS!! You are finished. Please get your supplies together, pack, and take anything back that belongs in Worship. Please stay for Closing and thanks for all your help.
