**The ALD's, Table Leaders and Assistant Table leaders make up this committee.**

The purpose of this committee is to provide food and drink for the fellowship time preceding the Follow-Up program.

1. Be sure of location for Follow Up. Check about what is available at that facility: Ice, coffee maker, serving ware etc.
2. Use time at team meetings to make plans for Follow-Up Refreshments.
3. Check with Weekend Refreshment and Closing Refreshment Committees to see what items you may take for Follow-Up: paper products, food, drinks etc.

**You are responsible for collecting these items and bringing them to Follow-Up**

Provide other items as needed.

You are responsible for set up and clean up of any food service at Follow Up.
