

## **Follow-Up Committee**

This committee is responsible for facilitating the Next Steps gathering to include talks, music and food.

Soon after each Chrysalis flight weekend, a Next Steps Follow-Up Meeting is held with the new butterflies to encourage them to form Group Reunions, to support them in the Next Steps experience since their Flight, and to orient them to the Emmaus & Chrysalis community and its leaders. This function can be approached in several ways, each of which has its advantages.

The Follow-up meeting should occur during the week following the Flight. All of the butterflies from the previous Flight are encouraged to participate; sponsors are encouraged to bring or come with the butterflies as well. All team members are expected to be present, and other community members and leaders are also welcome.

The meeting needs to enhance the weekend experience and provide a transition for the butterflies from the structured flight activities to the "unstructured" Next Steps.

A person should give the new members of the community information on sponsorship. It is very important that they realize that Chrysalis & Emmaus is not for everyone. An important point to cover is that Emmaus & Chrysalis are not a separate ministry nor does it supplant the local church, but encourages a more active role for butterflies in the local church.

Another person should speak to the new members about reunion groups. It should be made clear that reunion groups are not an end in themselves, but a means of support, spiritual growth, and participation in their church. Making Agape for Walks/Flights is not the reason for reunion groups. Inform the butterflies that it only takes two people to start a reunion group. Share about your reunion group.

### **Responsibilities of this committee:**

1. Ask the Lay Director if a location has been obtained for the Follow-up.
2. Have the time and location announced at the flight (Sponsor's Hour, Candlelight and Closing).
3. Ask one of the Clergy (if available) who worked on this Flight to officiate at the Communion service. Also obtain people to serve the elements. Request the minister to follow the Communion in the Caterpillar's Guide. Provide the elements. A plate (2), chalices, and napkins are needed to serve the elements.
4. Arrange for musicians (1 or 2), song leader and song sheets to be at Follow-up. (First ask the flight musicians to play)

5. ALD's and Table Leaders/Assistant Table Leaders are responsible for food for Follow-up. They should check with the Refreshment Committee for any food items that can be taken to Follow-up. They are responsible for taking these items after Closing and bringing them to Follow-up.

Any remaining unopened food may be donated to an appropriate Food Ministry in the area. Any unopened food items that will not expire prior to the next walk/flight may be stored.
